487m²

1,000m²

This Villa is one of the six exclusive residences of the Bay View residential project, designed to offer luxury, privacy, and a connection to the natural surroundings. This model combines contemporary architecture with a Mediterranean touch, offering panoramic views, exceptional design, and functionality. The ground floor of the villa features a spacious living room, dining area, kitchen, a master bedroom with an en-suite bathroom and walk-in closet, as well as a guest restroom. The living area seamlessly connects to the outdoors through expansive covered terraces, a private pool, and beautiful Mediterranean gardens. The first floor includes two en-suite bedrooms with walk-in closets offering breathtaking views. Specifications (Ask for More Details!)
