This beautiful modern villa is part of a project of 5 villas to be built in 2024 on a flat plot right by the beach at Cala Advocat in Benissa. Due to its short location on the beach there are views over the sea, the pine trees that currently partially obstruct the view will be pruned, making the view even more expansive. Each villa has a private plot with its own entrance, driveway and swimming pool. The villa is spread over two floors and also has two garages. You enter the house in a hallway that opens into a spacious living-dining room with a fully equipped open kitchen with a...(Ask for More Details!)
