This house in the heart of the town centre of Pedreguer combines classic elegance with contemporary comforts. Renovated in 2007, its expansive interiors and high ceilings offer a sense of freedom. The ground floor includes 3 bedrooms, a guest toilet, a large living room, an equipped kitchen and a lovely patio. On the first floor, elegant hall, 3 bedrooms, dining room with fireplace and full bathroom. A terrace surrounds a private inner courtyard. High-quality details include "Movila" branded wooden elements and air conditioning units. With a flexible structure, it can be converted into two homes. Additional options include the purchase of a covered car park and...(Ask for More Details!)
