589m²

1,050m²

This beautiful traditional style villa project is presented with a more modern Ibiza interior style finish is located in a beautiful new residential area with many pine trees, very quiet and only a few minutes walk from the sandy beach of Moraira with cozy terraces, very nice restaurants, nice shopping streets and car-free village squares with large trees that provide the necessary shade in the summer. Moraira also has a beautifully situated marina and a lagoon beach with beautiful colors and shallow water, ideal for small children! When entering through the entrance hall you have a storage room on the left, next to it a guest toilet with shower with...(Ask for More Details!)
