Luxury new build villas in Calpe - under construction. These modern villas in Calpe offer a high degree of privacy. They are designed for those looking for comfort and elegance in their living space. Located in a quiet area, each villa is an independent dwelling with a modern design that blends in with nature. With three bedrooms, three bathrooms and spacious terraces - an optional solarium - these homes are perfect to enjoy both indoors and outdoors. Take advantage of natural light and wake up to stunning views of the Peñon de Ifach, while surrounded by a private garden and pool. These villas are designed with energy efficiency...(Ask for More Details!)
