Country House close to all amenities. The house enjoys a large living room with a closed fireplace and a fully glazed naya, making this room the center of the house with lots of natural light. Two spacious and bright bedrooms, spaces for multiple uses, a family bathroom and a kitchen, with storage space and access to the outside. On the land we find a guest house with a living room, a small service kitchen and a large bedroom, through a staircase we find a mezzanine through which we access a second bedroom. Outside a charming terrace with privacy. Outside, a plot of 2,642m² surrounds the house with ample parking space, open spaces...(Ask for More Details!)
