Welcome to this partially renovated villa in classic Mediterranean style, situated on a generous plot of 1606 square meters. The property features a built area of 176 square meters and presents an ideal opportunity for those who wish to bring their own visions to life. The property allows for the final steps of renovation to be tailored to individual preferences, creating a personalized home. Additionally, the garage can be converted into a separate, independent guest apartment. The ongoing renovation includes updated electrical wiring, new plumbing, and fresh flooring. Pre-installation for air conditioning, as well as connections for a boiler and washing machine, have already been completed. The villa (Ask for More Details!)
