Beautiful house in a quiet gated community, with communal pool, 3.5 km from the center and the beaches. Renovated in 2024. The house is divided into two floors. On the first floor we find a large storage room and laundry room. The kitchen with peninsula has an oven, microwave, dishwasher, fridge-freezer and induction hob with built-in extractor hood. A spacious living and dining area overlooks the terrace and park. Two bedrooms with fitted wardrobes and a family shower room. On the second floor we find a large bedroom with built-in wardrobe and en-suite bathroom with shower and in turn with access to a large terrace with open views with... (Ask for More Details!)
