Investment opportunity, 856 m² plot for the construction of a luxury villa in Les Basetes, Calpe, the land represents an excellent opportunity to develop a luxury village in one of the most exclusive areas of the Costa Blanca. Its proximity to the sea offers direct views to the Mediterranean and the iconic Peñón of Ifach, a natural attraction that adds a high aesthetic value and a strong revaluation potential for any real estate project in the area. In addition, the proximity to sports ports, high -end restaurants and beaches, along with the low residential density environment, turns this land into a privileged space to build an exclusive residence.
